

# HB 130 and 131

## Update for Montana Health Coalition

### HB130

- Contracts have been awarded to benefit 17 Montana counties. (4 program contracts + 3 start up)
  - Yellowstone County - Serving Big Horn, Carbon, Fergus, Golden Valley, Judith Basin, Musselshell, Petroleum, Stillwater, Sweet Grass, Wheatland and Yellowstone counties: Value \$336,058
  - Missoula County: Value \$158,475
  - Ravalli County: Value \$310,594
  - Lewis & Clark County - Serving Meagher, Broadwater, Jefferson and Lewis & Clark counties: Value \$170,820
- Program deliverables vary among applicants and include elements such as the following:
  - Short term crisis stabilization (crisis beds)
  - Training for law enforcement, detention staff and community healthcare providers on appropriate crisis intervention techniques
  - Coordination with county attorneys, courts and public defenders for jail diversion
  - Infrastructure development including construction, refurbishing or enhancement of facilities to meet the needs of persons in mental health crisis.
- Data collection requirements – In addition to specific, project related outcomes, each county grantee must report on the following:
  - Number of 911 calls, within the grant period, that include mental disorder as an element of crisis call – reported by county
  - Unduplicated count of number of persons served by county (origin of crisis intervention efforts) for the grant period
  - Outcome of presentations (resolved, referred to hospital, commitment initiated, detention, etc) for the grant period
  - Total number of presentations with co-occurring mental disorder and substance abuse for the grant period

### HB131

- Contracts awarded in Butte and Bozeman – contracts pay for one crisis bed in each site when not occupied.
- Total biennial appropriation for contracts \$337,500

### HB132

- Provides authority to suspend civil involuntary commitment proceedings to enable client to voluntarily enter inpatient psychiatric treatment for a period of up to 14 days. May allow the client to avoid civil involuntary commitment proceedings if treatment is successful in stabilizing symptoms, allowing for return to community treatment
- No funding is attached to this bill

### HB2 Budget:

\$2,480,320	Total biennial appropriation
<u>(\$619,468)</u>	budget reduction (FY11 funds) to meet department budget goal
\$1,860,852	net
(\$934,176)	FY2010 grants
<u>(\$337,500)</u>	HB131 contracts (biennial total)
\$589,176	Balance remaining FY2011
